

Student mobility Programs

Partner universities

RUBIKA

July, 2016

Student exchange programs are formal agreements Rubika has with other universities. Under these agreements, you can spend a period of time studying at a partner institution in another country. While you are on an exchange, you will continue to pay any required tuition fees here in Rubika, but do not pay any tuition fees to host institution. You will still be liable for transportation costs and living expenses, although there may be grants available to help with this if you are on the [Erasmus+ program](#). Here is a list of the Schools and Universities we have ongoing agreements with.

- Brunel University ● ○ ○ B E+
- Coventry University ● ○ ○ B E+
- Politecnico di Milano (Polimi) ● ○ ○ B M E+
- Università degli Studi di Genova ● ○ ○ B M E+
- IED ● ○ ○ B E+
- Umeå University ● ○ ○ B M E+
- National University of Singapore ● ○ ○ B
- Tec de Monterrey (ITESM) ● ○ ● B
- Universidad de Monterrey (UEM) ● ○ ○ B
- Artesis/ Antwerpen University ● ○ ○ B M E+
- Howest/ Gent University ● ○ ○ B M E+
- Nanyang Polytechnic (NYP) ○ ● ● B
- Trident College of Information Technology ○ ● ● B

Scholarships:

ERASMUS scholarship – internships or academic exchange programs in Europe. Click [here](#) for more information.

OFAJ scholarship (Office franco-allemand pour la Jeunesse) – internships in German territory. Click [here](#) to know more.

FNAU mobilities– financial aid from CROUS for worldwide mobilities.

Specialisations are illustrated with coloured dots

- Design
- Game
- Animation

Teaching language

- EN English
- IT Italian
- ES Spanish
- NL Dutch/Flemish

Study cycles are illustrated with either a **B** or an **M**

- B** Bachelor, Undergraduate
- M** Master, Undergraduate

Brunel University ● ○ ○ B

London outskirts, UK

Who? Design students, undergraduate/bachelor level

What? [Industrial design and Tech](#) (BA), [Product design](#) (BSc) or [Product Design Engineering](#) (BSc)

All three tracks have similar compulsory courses; you can choose some optional courses.

It is particularly interesting for 3rd year students to do the whole year in Brunel instead of only one semester, because over there they have an individual-major-3rd-year-project that is particularly enriching to follow as a student. The final outcome is a working prototype.

When? S1 or entire year

Their calendar: S1: 21.09 -11.12 (2016)

Application deadline: beginning of April.

Available slots: 2 x10mo

Coventry University ● ○ ○ B

Coventry, UK

Who? Design, undergraduate/bachelor level

What? [Product Design](#) (BA) or [Automotive and Transport Design](#) (BA)

It is particularly interesting for 3rd year students to do the whole year in Coventry instead of only one semester, because over there they have an individual-major-3rd-year-project that is particularly enriching to follow as a student. The final outcome is a working prototype

When? S1 or entire year

More information/student experience reports :

Transport students, check out the clay studio [here](#).

Politecnico di Milano (*Polimi*) ● ○ ○ B M

Milan or La Spezia, Italy

Who? Design, undergraduate/bachelor & graduate/master level

What?

Bachelor:

[Product Design](#) (IT) - Milan

Master:

[Interior Design](#) (IT ou EN) - Milan

[Product design for innovation](#) (mostly IT) - Milan

[Product Service System Design](#) (EN) - Milan

[Yacht + Cruising Vessel Design](#) (IT) – La Spezia

is particularly interesting for 3rd year students to do the whole year in Coventry instead of only one semester, because over there they have an individual-major-3rd-year-project that is particularly enriching to follow as a student. The final outcome is a working prototype

When? S2 or full year - S1 only for students that do an internship in S2

Their calendar:

- S1 : Oct-Jan + Février exams
- S2 : March-June + July exams

Application deadline:

Applications for autumn semester: 01.avril – 15.mai

Applications for Spring semester: 01.oct-15.nov

Available slots: 2 students or 12 months

More information/student experience reports :

- [Quick guide to apply for an exchange semester @Polimi](#)
- [Infokit, Find courses](#)
- *Rapport Matthieu LANTERNAT – produit, Milan*
- *Rapport Augustin MUCHAUD – transport, La Spezia*

Università degli Studi di Genova ● ○ ○ B M

Genoa/Genova, Italy

Who? Design, undergraduate/bachelor & graduate/master level

What?

Bachelor:

[Design del prodotto e della nautica](#) (IT), with two possible tracks: industrial and communication design (campus Genova) and Nautical Design (campus La Spezia) - both tracks mainly in IT, but they do speak *some* English.

Master:

[Design navale e nautico](#), and, [Design del prodotto e dell'evento](#) – both mainly in IT, but they do speak *some* English.

When? S2 or full year - S1 only for students that do an internship in S2

Available slots: 2 full-year students in bachelor, 2 in master.

IED ● ● ● B

Italy: Milan, Rome, Turin, Cagliari

Spain: Madrid, Barcelone

Who? Design, undergraduate/bachelor

What?

Bachelor:

Transport Design - [Turin](#) (IT) or [Barcelona](#) (EN)

Product Design - [Milan](#) (EN), or [Barcelona/Madrid](#) (ES), or other italian campus (IT)

When? S1, S2 or full year

Their calendar:

Similar to Rubika, TBC each year

Application deadline:

Early November for january entry

Available slots: 2 full-year or equivalent (x4 semesters)

Umeå University ● ○ ○ B M

Umeå, Sweden

Who? Design, undergraduate/bachelor & graduate/master level

What?

Bachelor:

[Industrial design](#)

Master:

[Transportation Design](#) (MFA), [Interaction Design](#), (MFA) -offering evolves each academic year

When?

Bachelor: Semestre 1

Master : Semestre 1 or 2, depending on the internship dates

Application deadline:

Deadlines: Feb – Show interest, March submit documents @RI Rubika

Deadline Umea (portfolio and additional documents): early April

Available slots: X2 per academic year. Priority goes to master students.

More information/student experience reports :

- They will ask for your academic transcripts and for your portfolio –get them ready!

National University of Singapore ● ○ ○ B

Singapore

Who? Design, undergraduate/bachelor

What?

[Industrial Design](#)

When? S1 or full year -

Their calendar:

- S1 : August-December
- S2 : January - summer

Application deadline:

Applications for autumn semester: mid-april

Applications for Spring semester: TBC

Available slots: 2 full year

More information/student experience reports :

- Rapport [Constance TEXIER](#)
- Rapport Martin DEHOLLANDER

Tec de Monterrey (ITESM) ● ○ ● B

Mexico (various campus: Ciudad de Mexico, Guadalajara, Monterrey, Puebla, Querétaro, Aguascalientes, Toluca, Laguna...)

Who? Design & Animation. Undergraduate/bachelor

What?

Bachelor:

Animation ([Animación y arte digital](#))

Industrial design ([Diseño industrial](#))

When? S1 or full year

Their calendar:

- S1 : August-Dec
- S2 : Jan-June

Application deadline:

Available slots:

More information/student experience reports :

- *Rapport Julien LANNOY - campus Ciudad de México*
- *Rapport Pascal GRANGIER - campus Ciudad de México*

Universidad de Monterrey (UEM) ● ○ ○ B

Monterrey, Mexique

Who? Design, undergraduate/bachelor

What?

Industrial design (ES) - virtually everyone speaks english though

When? S1 or full year

Their calendar:

- S1 : August-Dec
- S2 : Jan-June

Artesis/ Antwerpen University ● ○ ○ B M

Anvers, Belgium

Who? Design, undergraduate/bachelor & graduate/master level (NL)

Available slots: 2 students, 10mo total

Howest/ Gent University ● ○ ○ B M

Courtrai, Belgium

Who? Design, undergraduate/bachelor & graduate/master level (NL)

Available slots: 2 students, 10mo total

Nanyang Polytechnic (NYP) ○ ● ● B

Singapore

Who? Game, Animation, undergraduate/bachelor

What?

Summer internship, focus in game + participate in the [IGCC](#) (International Game Concept Challenge)

Available slots: 4-6 students

Application deadline: -March/April

Trident College of Information Technology ○ ● ● B

Nagoya, Japan

Who? [Game](#), [Animation](#), undergraduate/bachelor

Available slots: 4-6 students

Rubika India (DKS International Campus) ●●● B M

Pune, India

Who? Design, Game, Animation, undergraduate/bachelor (1 year stay), graduate/master (permanent transfer)

What?

With a similar pedagogy as Rubika France, Pune offers the same specialisations as us.

There are 2 slots per year for undergraduate Rubika France students that are willing to study in Pune for their 3rd year (final bachelor year). Upon successful completion of their courses in Pune, students are registered back in Valenciennes to do their graduate studies (years 4 and 5).

Note that student selection process is carried out by Rubika France, yet all administrative and financial matters (tuition fees, accommodation and visa) are managed by our partner in India. Students would

Graduate students that are willing to go to Pune can do a *full-transfer* at the end of their third year, to complete their studies and graduate in Pune (years 4 and 5).

When? Full year

Available slots: x2 3rd year students

Application deadline: end of March
