RUBIKA

RELATIONS INTERNATIONALES

RUBIKA À L'INTERNATIONAL !

Let's go abroad for an exchange!

Student exchange programs are formal agreements Rubika has with other universities. Under these agreements, you can spend a period of time studying at a partner institution in another country. While you are on an exchange, you will continue to pay any required tuition fees here in Rubika, but do not pay any tuition fees to host institution. You will still be liable for transportation costs and living expenses, although there may be grants available to help with this if you are on the Erasmus+ program (see next page).

An exchange abroad allows you to enhance your skills and gain professional experience in an international environment. Internships are a compulsory part of your bachelor academic program, so why not use the summers to gain some professional experience doing an exchange in one of our partners's school and get it recognised an internship once back.

Scholarships:

[ERASMUS scholarship](#) – internships or academic exchange programs in Europe. Click here for more information.

[MERMOZ Scholarship](#) – financial aid from the Hauts de France Region. Click here for more information.

How does an exchange program work?

You stay a Rubika student, enrolling/paying as usual. You take courses in the host uni, and, if all goes well and you pass, then your semester or year is validated. Travel, accommodation and meal expenses are on you.

Am I eligible?

You must maintain a 13,5 average prior to your exchange departure. You must have completed a full year of studies before to going on exchange.

Selection criteria:

Applications will be reviewed using the following criteria: Academic performance, portfolio, motivation, language skills and the good match of the courses/program in the host university.

How to apply:

1. Check out our academic partners in this booklet.
2. Do some more research on the course offerings. You can use the link provided in this partners' booklet to guide your information process. If you have any questions, the international relations office would be happy to help you.
3. Fill out the Pre-mobility form with your choice of school and a list of the courses that you are interested in (if known).
4. Submit the form to studentmobility@rubika-edu.com (H2.02), as well as a letter of motivation (in English), a CV, your portfolio and a language certificate before the deadline:
 - 12th March: for mobility programs in the Semester 1 (late August - end of January) or the whole year long;
 - 26th September: for mobility in the S2 (February - end of June/July)
5. Successful candidates will be approached with informations regar-

WHERE CAN I GO?

Our partner Universities for the Bachelor

- ➞ [Brunel University London](#) (Angleterre) – Product Design
- ➞ [Coventry University](#) (Angleterre) – Product Design / Transport Design
- ➞ [Artesis](#) / Antwerpen University (Belgique) – Product Design
- ➞ [Howest](#) (Belgique) – Product Design
- ➞ [ESNE](#) (Madrid, Espagne) – Product Design / Game Design – Product Design
- ➞ [IED](#) (Italie) [Milan, Rome, Turin, Cagliari] – Product Design / Transport Design
- ➞ [IED](#) (Espagne) [Madrid, Barcelone] – Product Design / Transport Design
- ➞ [Politecnico di Milano](#) (Italie) – Product Design
- ➞ [Università degli Studi di Genova](#) (Italie) – Transport Design/ Naval Design
- ➞ [ITESM](#) (Mexique) – Automotive Engineering / Industrial Design / Animation
- ➞ [UDEM](#) (Mexique) – Industrial Design / Transport Design

- ➞ [National University of Singapore](#) (Singapour) – Product Design
- ➞ [Umeå](#) (Suède) – Product Design
- ➞ [Hochschule LUZERN](#) (Suisse) – Product Design

Our partner Universities for the *cycle Expert*

- ➡ ➡ [ITESM](#) (Mexique) – Automotive Engineering / Industrial Design / Animation
- ➡ ➡ [UDEM](#) (Mexique) – Industrial Design / Transport Design
- ➡ [Università degli Studi di Genova](#) (Italie) – Transport Design / Naval Design
- ➡ [Politecnico di Milano](#) (Italie) – Product Design / Service Design
- ➡ [Umeå](#) (Suède) – Transport Design
- ➡ ➡ [Hochschule LUZERN](#) (Suisse) – Product Design

Our partner Universities for the Bachelor Summer Internship

- ➡ ➡ [Trident College of Information Technology](#) (Japon) – [Game](#)
et [Animation](#) (stage pendant l'été)
- ➡ ➡ [Nanyang Polytechnic](#) (Singapour) – Game et Animation (stage pendant l'été)

GOING ABROAD EUROPE

Brunel University ➡ B

London outskirts, UK

Who? Design students, undergraduate/bachelor level

What? [Industrial design and Tech](#) (BA), [Product design](#) (BSc) or [Product Design Engineering](#) (BSc)

All three tracks have similar compulsory courses; you can choose some optional courses.

It is particularly interesting for 3rd year students to do the whole year in Brunel instead of only one semester, because over there they have an individual-major-3rd-year-project that is particularly enriching to follow as a student. The final outcome is a working prototype.

When? S1 or entire year

Their calendar: S1 early September - end of December

Available slots: 2 x 1 year

Future exchange options might include Digital design (BSc), Games Design (VA) Visual Effects and Motion Graphics (BSc)

Coventry University ➞ B

Coventry, UK

Who? Design, undergraduate/bachelor level

What? [Product Design](#) (BA) or [Automotive and Transport Design](#) (BA)

It is particularly interesting for 3rd year students to do the whole year in Coventry instead of only one semester, because over there they have an individual-major-3rd-year-project that is particularly enriching to follow as a student. The final outcome is a working prototype

When? S1 or entire year

Their calendar: S1 early September - end of December

Available slots: 4 x 1 year

More information/student experience reports :

Transport students, check out the clay studio [here](#).

Politecnico di Milano (Polimi) ➡ B M

Milan or La Spezia, Italy

Who? Design, undergraduate/bachelor & graduate/master level

What?

Bachelor: [Product Design](#) (IT) - Milan

Cycle Sup.: [Interior Design](#) (IT ou EN) - Milan

[Product design for innovation](#) (mostly IT) - Milan

[Product Service System Design](#) (EN) - Milan

[Yacht + Cruising Vessel Design](#) (IT) – La Spezia

When? S2 or full year - S1 only for students that do an internship in S2

Their calendar:

- S1 : Oct-Jan + Février exams
- S2 : March-June + July exams

Available slots: 1 student per semester or 1 per 1 year

More information/student experience reports :

- [Quick guide to apply for an exchange semester @Polimi](#)
- [Infokit, Find courses](#)
- *Rapport Matthieu LANTERNAT – produit, Milan*
- *Rapport Augustin MICHAUD – transport, La Spezia*

Università degli Studi di Genova ➡ B M

Genoa/Genova, Italy

Who? Design, undergraduate/bachelor & graduate/master level

What?

Bachelor: [Design del prodotto e della nautica](#),

mainly for Transport (IT) – La Spezia

[Design del prodotto e della Comunicazione](#)

mainly for Product (IT) – Genova

Both tracks mainly in IT, but they do speak some English.

Cycle Sup.: [Design navale e nautico](#) – La Spezia

[Design del prodotto e dell'evento](#) – Genova

Both mainly in IT, but they do speak some English.

When? S2 or full year - S1 only for students that do an internship in S2

Their calendar:

- S1 : Oct-Jan + Février exams
- S2 : March-June + July exams

Available slots: 2 full-year (4 per semester) in bachelor, 2 in master.

IED ➔ **B**

Italy: Milan, Rome, Turin, Cagliari

Spain: Madrid, Barcelone

Who? Design, undergraduate/bachelor

What?

Bachelor:

Transport Design - [Turin](#) (IT) or [Barcelona](#) (EN)

Product Design - [Milan](#) (EN), or [Barcelona](#)/[Madrid](#) (ES), or other italian campus (IT)

When? S1 (only in Spain) S2 or full year

Their calendar: Similar to Rubika, TBC each year

Available slots: 2 full-year or equivalent (4 per semester)

Umeå University ➡ B M

Umeå, Sweden

Who? Design, undergraduate/bachelor & graduate/master level

What?

Bachelor: [Industrial design](#)

Cycle Sup.: [Transportation Design](#) (MFA),
[Interaction Design](#), (MFA) -offering evolves each academic year

When?

Bachelor: Semestre 1

Master : Semestre 1 or 2, depending on the internship dates

Available slots: 2 per academic year. Priority goes to master students.

ESNE ➡ ➡ B M

Madrid, Spain

Who? Design and Game, undergraduate/bachelor

What?

Bachelor: [Product design](#) (Bachelor + 4th year)
[Game Design](#) (Bachelor).

An opportunity to live in awesome Madrid, and study Product design (Bachelor + 4th year) or Game Design (Bachelor). Classes are in Spanish, but student presentations in English !

When? S1, S2 or full year

Their calendar: Similar to Rubika

Available slots: 2 full-year or equivalent (4 per semester)

Artesis/ Antwerpen University ➞ BM

Anvers, Belgium

Who? [Design](#), undergraduate/bachelor & graduate/master level (NL)
International info [here](#).

When? S1, S2 or full year

Their calendar: Similar to Rubika

Available slots: 2 students, 10mo total

Howest/ Gent University ➡ BM

Courtrai, Belgium

Who? [Design](#), undergraduate/bachelor & graduate/master level (cycle sup.) (EN)

Incoming students info [here](#).

When? S1, S2 or full year

Their calendar: Similar to Rubika

Available slots: 2 students, 10mo total

GOING ABROAD WORLD

Tec de Monterrey (ITESM) B

Mexico (various campus: Ciudad de Mexico, Guadalajara, Monterrey, Puebla, Querétaro, Aguascalientes, Toluca, Laguna...)

Who? Design & Animation. Undergraduate/bachelor

What?

Bachelor:

Animation ([Animación y arte digital](#))

Industrial design ([Diseño industrial](#))

When? S1 or full year

Their calendar:

- S1 : August-Dec
- S2 : Jan-June

Application deadline:

Available slots:

More information/student experience reports :

- Rapport Julien LANNOY - campus Ciudad de México
- Rapport Pascal GRANGIER - campus Ciudad de México

Universidad de Monterrey (UEM) ➞ B

Monterrey, Mexique

Who? Design, undergraduate/bachelor

What?

[Industrial design](#) (ES) - virtually everyone speaks english though

When? S1 or full year

Their calendar:

- S1 : August-Dec
- S2 : Jan-June

National University of Singapore ➡ B

Singapore

Who? Design, undergraduate/bachelor

What? [Industrial Design](#)

When? only S1

Their calendar:

- S1 : August-December
- S2 : January - summer

Available slots: 2 full year

More information/student experience reports :

- Rapport [Constance TEXIER](#)
- Rapport Martin DEHOLLANDER

Hochshule Luzern B M

Luzern, Switzerland

Who? Design, undergraduate/bachelor & graduate/master level

What?

Bachelor: [Industrial design](#)
[Animation](#)

Cycle Sup.: [Master of Arts in Film](#)
[Master of Arts in Design](#)

When?

Bachelor: Semestre 2

Cycle Sup.: Semestre 2,
Semester 1 depending on the internship dates (for Design)

Available slots: 2 per academic year.

GOING ABROAD SUMMER INTERNSHIP

Nanyang Polytechnic (NYP) ➡ ➡ B

Singapore

Who? Game, Animation, undergraduate/bachelor

What?

Summer internship: late June - end of August

- focus in game

- focus in Animation + IAC (International Animation Challenge)

Available slots: 6 (A) - 6 (Game: 3 G Design, 3 G Prog) Students

Trident

College of Information Technology ➡ ➡ B

Nagoya, Japan

Who? Animation, undergraduate/bachelor

When?

Summer internship: late June - end of August

Available slots: 4 students
